

Electric Steering Pump

Winners of Vensel Enterprise \$100 Credit

1. Bennett's Electric
2. United Starter & Alternator

1. What is this for? or What does it do?

Answer: 12V DC Electric Power Steering Assist Motor

2. What does this fit ie: make of car?

Answer: Mini Cooper

3. Can you rebuild it, Yes or No

Answer: Yes, it can be rebuilt if you have a magnet discharger & charger

The answer was found by searching the internet for electrical service parts for a BMW.

Thanks for attending the ERE Show in Indianapolis the weekend of 4/5.

The following photos are what we displayed at the show and the complete assembly.
